KLA Company Limited former name "Postforming" industry (Thailand) Company Limited was established in 1980 and has been diversifying and expanding company with extensive interest and expertise in the postforming by using laminate brand "Durapol" from Germany and utilize technology transfer and know-how from Durapol.

KLA Company Limited has always improved its production process to stay ahead of the competition and to guarantee customer satisfaction. Our superior manufacturing facilities and highly skilled staff have served our many valued customers for over twenty five year.

**In 1990**, we produced work top by using Laminate, brand "Durapol" imported from Germany and utilize technology transfer and know-how from Durapol, Germany.  
**In 1991**, the company diversified the business to serve the market and customer needs by establishing a new factory in Nonthaburi Province.

We emphasize on knocked-down (Redy – to – Assembly) furniture.

**In 1993**, we achieved success 2,000 stores through an introduction of build in furniture to leading convenient stores such as Seven Eleven and Tiger Mart (in Esso's service station) throughout Thailand to continue growth and reputation and commencement ourselves as an exporter.

**In 1997**, we moved our factory to Amata City industrial Zone, Rayong province. We keep focusing on efficiency, quality, technology and advancement to serve needs of various kinds and size of business, from small firms to multination corporations and from domestic firm to overseas corporations.

**In 2017** we are strategic partner with CETC state company from China. Introduce High Technology Automated Parking System to Thailand

**In 2019** we cooperate with AnCuong ( Listed ACG in Vietnam stock exchange ). As our new production line of wood working and decorative material supply for KLA
